

Sunday River.

Greetings All!

Though it feels like winter still has a little bit of fight left in her, the time has come to start planning our annual springtime events. Now normally my next sentence would go a little something like this, "On Sunday, March 26th, we are excited to host our 27th Annual Eat the Heat Chili Cookoff and Firefighters' Race." But not this year. This year we are going to add a little shake up to the same old game. This year we would like to invite you all to the first ever "Master of the Hose Competition." The Firefighters Race is now a two tier game. In addition to teams of Firefighters we are also welcoming Teams of Snowmakers into the fold.

For those of you who are new to the event or want the 411 on this new twist, here's the details; the first division invites Firefighters from all around New England to team up in groups of five, where they race down the ski course in full turnout gear, carrying a fire hose. New this year is our second division and final race. In this second division, we are opening up the competition to snowmakers from around New England to do the same. In full snowmaking gear they will also be carrying a hose down a race course. Following this, the winning Team from each division will be moving in to their final battle, the "Hose Off." Who will be the true "Master of the Hose"; firefighters or snowmakers? The cost of this event will be \$150 per team. This includes five Sunday River lift tickets and five t-shirts. All proceeds go directly towards the Sunday River Community Fund!
